Thank you for your internet representation made on 2nd May 2020 which has been recorded as '**an objection**' with the comments as follows:

The area where this is situated is already a problem area for parking. I walk down there daily and struggle to cross safely due to cars parking on the corner of the road. There is almost no parking on this application and it is going to make a bad situation extremely dangerous.

I also have concerns about the property being bedsits. Through my work with vulnerable families I am aware of the desperate need for good quality flats with 2 or 3 bedrooms with affordable rents in this area and I think such a large beautiful building would be ideal to be used in this way, this will help low income families in our town and reduce some of the possible parking issues.

Please do not allow this proposal to go ahead, it will cause multiple problems in a beautiful but busy area

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
