Thank you for your internet representation made on 29th May 2020 which has been recorded as an objection with the comments as follows:

OWPC27333

The scale of this development and number of people potentially accommodated here seems completely unreasonable. This is generally a quiet residential area. Additionally, parking is an increasing problem and the surrounding roads are usually full of parked cars. There is no facility for parking on the site.

Your views as made above will be considered before the application is determined.
