Thank you for your internet representation made on 4th June 2020 which has been recorded as an objection with the comments as follows:

OWPC27517

The roads around this area are already congested with cars and it is totally inappropriate to have so many extra residential living in an already over populated area. Many residents in surrounding streets i.e Richmond Avenue, Wood Street do not have drive ways and have to park on the street and with the property becoming an HMO the amount of cars will almost certainly mean at least one car per flat, causing chaos. Madness.

Your views as made above will be considered before the application is determined.
