POLICY COMMENTARY

The Development Plan consists of the Arun Local Plan 2011 - 2031, West Sussex County Council's Waste and Minerals Plans and Made Neighbourhood Development Plans.

The policies are published under Regulations 19 and 35 of the Town and Country Planning (Local Planning) (England) Regulations 2012.

Where applicable, Neighbourhood Development Plan's (more commonly known as a neighbourhood plan or NDP), once made by Arun District Council, will form part of the statutory local development plan for the relevant designated neighbourhood area.

DEVELOPMENT PLAN AND/OR LEGISLATIVE BACKGROUND

Section 38(6) of the Planning and Compulsory Purchase Act 2004 states:-

"If regard is to be had to the development plan for the purpose of any determination to be made under the planning Acts the determination must be made in accordance with the plan unless material considerations indicate otherwise."

The proposal is considered to comply with relevant Development Plan policies in that it would not have a materially adverse impact on the residential amenities of nearby properties nor would it have a significant adverse impact upon the established character of the surrounding area

OTHER MATERIAL CONSIDERATIONS

It is considered that there are no other material considerations to warrant a decision otherwise than in accordance with the Development Plan and/or legislative background.

CONCLUSIONS**PRINCIPLE**

The key policies considered are D DM1 and D DM4 of the Arun Local Plan.

Bognor Regis has a made Neighbourhood Plan however none of the policies are of relevance to this application.

DESIGN AND VISUAL AMENITY

The proposed shutters will be situated to the front elevation of the property and therefore will be highly visible.

The building consist of 2 commercial properties and the shutters will cover both entrances with a total width of around 4.75m.,although operate individually. They will be black in colour with a height of 2.4m.

With other similar development within the locality, they are not considered to appear out of character and would assist in the reduction of crime.

The development proposed is minor in scale and the addition of security shutters is not considered to adversely impact the appearance of the street scene and accord with D DM1 and D DM4 of the Arun Local Plan.

RESIDENTIAL AMENITY

Due to the type and scale of the development proposed, which fronts the street scene, the addition is not considered to harm amenity by way of overbearing, overshadowing or overlooking and accord with D DM1 and D DM4 of the Arun Local Plan.

SUMMARY

The proposed development is deemed to accord with relevant development plan policies and as such is recommended for approval subject to the following conditions and informatives.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as Arun District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

Duty under the Equalities Act 2010

In assessing this proposal the following impacts have been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

The proposal would have a neutral impact on the protected characteristics.
