

Written Statement - Construction Management Plan for 3 new dwellings. 43 - 45 Pevensy Road, Bognor Regis

1) We anticipate max 20 vehicle movements per day with 1/2 being HGV.

2) Vehicles to come from East - West of Pevensy Road using a One Way route onto site and leaving site going west along Pevensy Road.

3) Parking shall be made available on-site from day one.

4) The site benefits from only 1 entrance and is surrounded by back gardens. The finished fencing will be erected as the site clearance takes place.

5) Storage of materials will be in the designated storage area shown on the construction management layout.

6) Wheel wash equipment will be made available but vehicles shouldn't leave hard stand areas throughout the contract. Wash Station is marked on the construction management layout.

7) A commencement of works notice will be distributed to all local residents 1 week prior to starting on site. The site agents number will be given and posted on the gates.
