Hi Amy,

If this is the only outstanding information then you may wish to consider that it is quite a small development and noise and dust impacts could be addressed using nuisance legislation... just something for you to consider,

Kind regards
Craig

Planning Application reference: BR/87/21/DOC

Proposal: 41-47 Pevensey Road Bognor Regis PO21 5NY. Approval of details reserved by condition imposed under ref APP/C3810/W/19/3230749 (BR/229/17/PL) relating to Condition No 7 - Construction Management Plan

Address: 41-47 Pevensey Road Bognor Regis PO21 5NY

Dear Maria,

The CMP has not considered potential impacts from dust or noise on near sensitive receptors. I therefore request that an amended Construction Management Plan be submitted to also include consideration for control measures for dust and noise.

Yours Sincerely, Craig
