Please ask for:
Amber Willard

23rd April 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Replacement of 6 No. antennas on building roof-top with 1 No. 10m high stub-tower supporting radio apparatus & ancillary works. This application may affect the character & appearance of The Steyne, Bognor Regis Conservation Area.

Fitzleet House, Telecommunications Cabin Queensway Bognor Regis

Thank you for your internet representation made on 18th April 2019 which has been recorded as '**an objection**' with the comments as follows:

As I understand it 5G uses the same technology that the Military and Police use as a Weapon to create harm to Human beings or wildlife.

It will most definitely have a detrimental biological effect on all life : plants, trees birds animals and people, as it is already had this proven in the armed forces.

5G gives out a low level high millimeter wave frequency of radiation that is much more powerful than 4G to enable it to enter through brick walls etc which means it we will be subject to the radiation also. I feel it will be an assault on me in my home as once implemented, nowhere is free of this electromagnetic pollution.

This is a risk to vulnerable people with health conditions and young children with developing minds. Many studies have associated low-level RFR exposure with a litany of health effects, including:

- DNA single and double-strand breaks (which leads to cancer)*
- oxidative damage (which leads to tissue deterioration and premature ageing)*
- disruption of cell metabolism*
- increased blood-brain barrier permeability*
- melatonin reduction (leading to insomnia and increasing cancer risks)*
- disruption of brain glucose metabolism*
- generation of stress proteins (leading to myriad diseases)*

I conclude there is NO proof of it's safety there fore we are all guinea pigs to this lethal experiment .

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only

include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
