Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: BR/8/21/RES
Site Address: Richmond Arms 224 London Road Bognor Regis PO21 1AU
Description of works: Approval of reserved matters following BR/142/18/OUT for the demolition & conversion of existing public house with residential accommodation to 1st floor to form 10 No. residential flats over 3.5 storeys.

Thank you for your internet representation made on 26th February 2021 which has been recorded as an objection with the comments as follows:

OWPC34101

over development in immediate areas, should be reduced from 10 to 6 apartments. Over viewing 2 properties to the east from windows & from roof terrace platform, doors & windows will be an intrusion of privacy's The light illumination from all windows will have a negative effect on the area & the 2 properties to the east. The eastern boundaries of development have encroached onto public community garden which needs access for maintenance work - this was an issue which was objected & should have been noted when application was first submitted! Reduce 10 to 6 apartments, proposed development too high, windows overlooking 2 properties to the east end of development, proposed roof terrace facing east overlooking the 2 properties too invasive!

car parking is street parking Richmond Road has already too many cars parking on it.

Access down the railway/track side of development not seen on plans? Bin storage not shown ! Pavement storage not permitted!

DRAINAGE storm/gutter water overflow, confirm how this matter is being managed, especially as the present system

Can't manage it.

Your views as made above will be considered before the application is determined.
