Subject: NR Consultation Extension request: BR/8/21/RES - Richmond Arms 224 London Road Bognor Regis PO21 1AU

Dear Sir / Madam,

Thank you for consulting Network Rail on the planning application BR/8/21/RES.

Unfortunately we currently have a backlog of planning applications to review. As a result, I have only just started an internal consultation to check with our Asset Protection team whether they are aware of the proposed development and want to provide comments due to the close proximity of the proposed works to the railway.

I'd be grateful if you could confirm whether we still have an opportunity to comment, and if so, when we would need to provide comments by?

Kind Regards,

Nick Donoghue
