Subject: Planning application: BR/93/21/PL

Dear Mr Gardner,
I write to submit my opposition to the application (above) to build a one bedroomed house in the back garden of 22 Neville Road, Bognor Regis. If allowed to proceed and to be realised, this development would, in my opinion be a very worrying precedent.
I understand that in any case, the proposal contravenes current local plan policies which were established to resist the inappropriate development of residential gardens. I believe that the council has stated in the past that it does not support the building of homes on back gardens and I would respectfully request that you will respect and continue to support that position.

Yours sincerely,
Gareth T. Jones
