Application No: BR/94/22/HH  
Site Address: 38 Bassett Road Bognor Regis PO21 2JH  
Description of works: Roof extension to create 2 additional annex including the installation of 4 x dormers and balcony and alterations to fenestration/openings.

Thank you for your internet representation made on 6th June 2022 which has been recorded as an objection with the comments as follows:

OWPC47957

The addition of the three developments would put even more pressure on the parking situation, which at times already is dangerous with cars parked to the end of the road and on corners. at this end of Bassett Road. We already have shop workers and beach visitors parking for days at a time not to mention abandoned vehicles. I am also concerned of the properties overlooking ours and feel it will effect our privacy, as we can already see across the gardens.

Your views as made above will be considered before the application is determined.
