Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/94/22/HH
Site Address: 38 Bassett Road Bognor Regis PO21 2JH
Description of works: Roof extension to create 2 additional annex including the installation of 4 x dormers and balcony and alterations to fenestration/openings.

Thank you for your internet representation made on 9th June 2022 which has been recorded as an objection with the comments as follows:

OWPC48015

we object to this application on the grounds of parking and the effect this will have on an already very congested road.

Residents have to park away from their homes due to shop workers and beach goers leaving their cars down this road for days and sometimes even weeks. The added cars this property will bring will limit the residents own parking. The property is on the corner of the 2 roads, this road is already hard to pull out of esp when cars park on the corner This will cause more highway safety issues. There has been accidents on this road already. This will only cause more.

As a parent whose children (and many others) walk to school along our road I will be even more concerned for their safety.

Your views as made above will be considered before the application is determined.

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State.
