

REF. B

SOUTH FACING SIDE
OF BUILDING

A hand-drawn architectural sketch in brown ink. The central focus is a multi-tiered tower with a domed top. The tower has several levels with columns and decorative moldings. Below the tower, a large rectangular area is outlined, with the text '2nd Clock Face will be installed here.' written inside. The foreground shows a roof with a detailed pattern of overlapping tiles. The background is plain white.
