For the attention of Mr S Davis. Case Officer

I have submitted an Objection Ref OWPC77323..

I attach herewith a sketch proposal alternative frontage to Belmont Street along with a sketch of the planning application frontage for comparison to illustrate my comment. As a nearby resident on The Esplanade I consider that The Town Centre environment will greatly benefit from this development along with the other projects currently taking shape. But I do hope that you take my view on the detail into account. My view is shared by fellow members of Arun Conservation Area Advisory Panel.
