Dear Mr Davis,

Re: Butlins - Conversion of St. Joseph's. Albert Road, Bognor Regis.
BR 348 16 PL, BR 100 17 PO, BR 99 17 PO (BR 348 17 PL)

As you know Mr Pardey of Butlins informed me at their meeting on 12th December, 2016 that they would be converting St. Joseph's into a 91 bedded property with no mention whatsoever of converting 'Beach Lodge' next door.

I now read that they want to place another 11 beds somewhere in amongst St. Joseph's and one assumes the ex Beach Lodge.

They have not adhered to the conditions that were promised during the above mentioned meeting. Thus causing problems, too numerous to mention, to the neighbours.

I have no doubt in my mind that they will not adhere to any further conditions imposed upon them.

I fail to understand how they can request 11 extra beds? If they had miscalculated by 1 or 2 beds, but 11?? I do not feel after all the aggravation they have caused they should be allowed to change the building regulations yet again just to suit themselves.

It is obvious that ADC grant Butlins whatever they require whenever they require it. Regardless of neighbours!
