

BURPHAM PARISH MEETING

ARUN DISTRICT COUNCIL
TECHNICAL SUPPORT

16 AUG 2011

12th August 2011

Planning Department,
Arun District Council

Dear Mr Roberts,

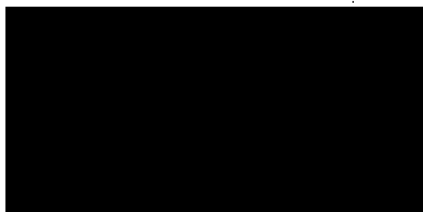

Ref: B/25/11 Lample House, Wepham

It is a large shed and was built without planning permission. The hedge between the shed and the public footpath has been removed, and we believe that the shed is built closer to the footpath than the demolished sheds. However it does not affect other properties.

The new owners of the property also felled several trees in their garden without planning permission. This has affected neighbours.

We leave it up to Arun D.C. to decide on the application for the shed and to decide what is to be done about the felled trees.

I enclose the planning documents.

Philip White
(Chairman, Burpham Parish Meeting)
