Dear Mr Roberts,

Your Ref:B/5/09/TC Burpham Farm House

The two trees that this application requests permission to fell are next to my house with the branches over our roof. I therefore fully support Mr Irving-Swift's application.

I have discussed this matter with the other members of Burpham Parish Meeting and they all support the application to fell the trees.

I enclose the planning application documents.

Yours sincerely,

Phil White
(Chairman, Burpham Parish Meeting)
