Dear Sirs,

Re: St Mary the Virgin Church, The Street, Burpham, West Sussex BN18 9RR
Works to trees within Conservation Area Town & Country Planning Act 1990

We have two large Conifers in the north of the Churchyard which are badly overhanging a number of graves. We wish to lift the canopies of the trees to give a clearing of 7-8 feet in order to allow more sunlight in, preventing algae formation on the gravestones and access to these graves easier for elderly relatives of the deceased..

The work will comprise of lopping off several of the lower branches of each tree to achieve the required clearance.

I enclose a sketch demarcating the position of the property and the trees concerned.

I would be grateful if permission for the work to be undertaken could be given as soon as possible.

Yours faithfully,

[redacted]
