Thank you for your internet comments of support made on 20th March 2009 and recorded as follows:

On behalf of the Council...☐

☐

Councillor Jenkin, being the Applicant, declares a personal interest. ☐

☐

Clapham being a very small community, the remainder of the Councillors, being his neighbours and associates, declare a degree of interest. That being said, they - jointly and severally - see no reason to oppose the Application. ☐

☐

At the time of writing, the Council has not received from any member of the community any request or suggestion that the Application should be opposed. Should any such request or suggestion be received in the coming weeks, the Council will take note and will take suitable steps to ensure that the objection and its supporting arguments are brought to your attention. ☐

☐

John Morris, Clerk to the Council. ☐

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
