2 **Site Address**

3 **Description of Development**

Two storey independant relative annexe

4 In pursuance of their powers under this Act and related Orders and Regulations the Council REFUSE to approve the development as described in the application and plan for the reasons stated.

REASON 1 The proposed two storey side extension would not relate sympathetically to the existing building by reason of its scale, form, height and design and it is considered that the resultant building would detract from the character and appearance of the Conservation Area and Area of Outstanding Natural Beauty. The proposal is therefore contrary to policies LOC2, DEV1, CH1, CH2, CH4 of the West Sussex Structure Plan and GEN3, GEN7, DEV19, AREA2, AREA9.

REASON 2 The proposed extension by reason of scale and proximity to adjacent Grade II Listed Buidlings to the south, namely No.155/156 The Street, Clapham would damage the setting of these listed buildings and would therefore conflict with policy CH5 of the West Sussex Structure Plan and DEV11 of the Arun District Local Plan.

NOTES RELATING TO PLANNING APPLICATION
TOWN AND COUNTRY PLANNING ACT 1990

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the First Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal, then you must do so within 6 months of the date of this notice using a form which you can get from the Planning Inspectorate, Customer Support Unit, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

PURCHASE NOTICES

If either the local planning authority or the First Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the District Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town & Country Planning Act 1990.
