Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application for Outline planning permission with some matters reserved for redevelopment of the site with 1 No. 4-bed detached bungalow, 2 No. 3-bed detached chalet bungalows & 2 No. 3-bed semi-detached bungalows & associated works.
Departure from the Development plan
Mistletoe Farm Horsemere Green Lane Climping

Thank you for your internet representation made on 11th May 2018 which has been recorded as '**an objection**' with the comments as follows:

I have a number of objections:

- 1) Traffic on Horsemere Green Lane is already very heavy so that the area cannot take any further traffic and safety is likely to be compromised. There is no footpath on this part of the road.*
- 2) All but one of the proposed dwellings are two-storey. The adjoining estate of Wooldridge Walk and Mant Close is all bungalows so that existing residents will be overlooked.*
- 3) An excessive number of trees would have to be felled for this development.*
- 4) The proposed development would have a detrimental impact on the appearance of the area.*
- 5) Numbers 1, 2 and 3 (and to a lesser degree number 4) Wooldridge Walk would suffer a loss of daylight and privacy would be severely affected due to the loss of trees and hedges and the proximity of the proposed dwellings to their boundaries (one proposed dwelling would be only 1.8 metres away).*
- 6) The local infrastructure (schools, doctors, hospitals and other essential services) is already barely adequate and cannot accommodate any increase in population.*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply

information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
