15th May 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application for Outline planning permission with some matters reserved for redevelopment of the site with 1 No. 4-bed detached bungalow, 2 No. 3-bed detached chalet bungalows & 2 No. 3-bed semi-detached bungalows & associated works.

Departure from the Development plan

Mistletoe Farm Horsemere Green Lane Climping

Thank you for your internet representation made on 14th May 2018 which has been recorded as '**an objection**' with the comments as follows:

I would like to strongly object to the planning application for five new properties, in the application pack the application has ticked "No" to nesting birds in trees and "No" nesting bats when we know this is incorrect they are currently nesting.

Horsemere Green Lane cannot cope with any more additional vehicles as it is already used as a rat run with vehicles racing to get around the build outs rather than stop.

The proposed development is right opposite one of these build outs so it will be an accident waiting to happen if approved.

With the reduction of trees and hedgerow this will allow more noise to transmit from the already noisy industrial estate.

The doctors/dentists/schools etc already cannot cope with the existing residents.

Properties effected in Wooldridge Walk (1, 2 & 3) will suffer from a loss of light due to the height of the proposed development.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you

only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
