Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application for Outline planning permission with some matters reserved for redevelopment of the site with 1 No. 4-bed detached bungalow, 2 No. 3-bed detached chalet bungalows & 2 No. 3-bed semi-detached bungalows & associated works.

Departure from the Development plan

Mistletoe Farm Horsemere Green Lane Climping

Thank you for your internet representation made on 21st May 2018 which has been recorded as '**an objection**' with the comments as follows:

This development of these bungalows and chalet bungalows are totally going to ruin the country aspect of this land. The birds that you see in this area are magnificent and all the trees that will have to be removed is nothing less than a crime. The trees are magnificent and to remove these would be devastating for all and surely they are protected. The actual building of this development will also impact on all of us as close neighbours to the site for many months, possibly years. The removal of the trees will also cause great concern as the noise from the Rudford Trading Estate will get much worse as there will be no barrier to shield the banging of the guillotine machine which we can hear already on a daily basis (but not so bad as it would be after the trees are removed)

The infrastructure will not support all the extra houses that are currently being planned for such a small area of Climping. The plan for these particular 5 houses are only being for personal financial gain disregarding the surrounding residents. Not to mention the privacy aspect that those bungalows No.1. No.2.No.3.No 4 and No.5 particularly with the chalet bungalows overlooking them

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.
