Dear Juan,

Thank you for your time on site yesterday and also for your understanding about my ankle – I did go to hospital and do have a sprained ankle so am now on crutches !

We have reviewed the proposals in response to logistics relating to the site and the location of Southern Water apparatus. This has resulted in the removal of unit 3 and adjustments to the layout and parking arrangements to plot 4.

Would you be happy to accept the attached plans as substitute plans and re-consult the Parish Council on the revised plans ? The Parish Council is due to discuss the application and I have spoken to the Parish Clerk who has advised that she would update the Parish Council that substitute plans have been submitted and defer the discussion and comment on the substitute plans in due course.

Trust that makes sense and I'd be grateful if you could let me know your thoughts on this.

Many thanks,
Kerry
