Dear Sirs,

Re: Planning Permission CM/10/18/OUT

I object most strongly to the monotonous proposal for four domestic dwellings on the site of Mistletoe Farm, Hasslemere Green Lane.

My reasons are numerous; - Unprecedented noise and disruption from heavy traffic during proposed building, loss of privacy for nearby properties, loss of trees and hedging; difficulty in driving along H.G.W., being held up by heavy goods vehicles.

This proposal must be STOPPED !!
