Dear Fryer,

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2015

Approval of details reserved by condition imposed under CM/21/19/PL relating to conditions 11-surface water drainage scheme, 12-discharge of flows to water courses or for the culverting, diversion, infilling or obstruction of any water course on or adjacent to site & 13-maintenance and management of surface water drainage system.

Notification regarding the above application:

Condition Number 13

Development shall not commence until full details of the maintenance and management of the surface water drainage system is set out in a site-specific maintenance manual and submitted to, and approved in writing, by the Local Planning Authority. The manual is to include details of financial management and arrangements for the replacement of major components at the end of the manufacturer's recommended design life. Upon completed construction of the surface water drainage system, the owner or management company shall strictly adhere to and implement the recommendations contained within the manual.

Reason: To ensure that the proposed development is satisfactorily drained in accordance with policies W DM1, W DM2 and W DM3 of the Arun Local Plan. It is considered necessary for this to be a pre-commencement condition to ensure that the future maintenance and funding arrangements for the surface water disposal scheme are agreed before construction commences.

Decision:

Arun District Council have decided to **APPROVE details reserved by this condition**

This condition is discharged in so far as submission of details relates and refers to the SuDS Maintenance and Management Plan reference EG/424955/HS rev A dated 30-03-2021.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely
