Please ask for:
Mrs A Gardner

15th June 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

The regularisation of operating hours to 24hrs a day commencing 6am Monday to 6pm Saturday with no Sunday operation at Units J1, J2 & Z; new extension covering the existing courtyard area & new acoustic metal cladding to southern facade of existing workshop at Unit J1 & J2; new demountable wall adjacent to existing fence surrounding the guillotine enclosure at Unit U1. This application also lies within the parish of Ford.
Unit J1, J2, U1 & Z, Rudford Industrial Estate Ford Road Ford

Thank you for your internet representation made on 14th June 2018 which has been recorded as **'an objection'** with the comments as follows:

I wish to object to this planning application due to the existing noise level's coming from the unit, during the summer months loud crashes of metal can be heard all through the night.

The reduced working from 18:00 on a Saturday does nothing for the 24x7 working Monday to Friday which is unacceptable we need some quality of life.

I have read with interest Mrs L Rudd's comments and I struggle to understand how she cannot hear any noise from this unit when her neighbours can, perhaps she is not very good at hearing...

The comment Mrs L Rudd made about noise pollution being made by "blow-ins" is inaccurate as 95% of the traffic along Horsemere Green Lane is from people cutting through to avoid the busy A259.

So I think I speak for the majority of residents in Climping if Mrs L Rudd is so unhappy living in Horsemere Green Lane then she should consider moving to a more suitable location..

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or

information from third parties unless you have their permission to do so. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
