29th June 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

The regularisation of operating hours to 24hrs a day commencing 6am Monday to 6pm Saturday with no Sunday operation at Units J1, J2 & Z; new extension covering the existing courtyard area & new acoustic metal cladding to southern facade of existing workshop at Unit J1 & J2; new demountable wall adjacent to existing fence surrounding the guillotine enclosure at Unit U1. This application also lies within the parish of Ford. Unit J1, J2, U1 & Z, Rudford Industrial Estate Ford Road Ford

Thank you for your internet representation made on 28th June 2018 which has been recorded as '**an objection**' with the comments as follows:

The noise that comes from this steel works at present is quite noticeable at different times of the day and evening, including some weekends. It is doubtful that the insulation will be effective in other areas of this works.

If they are to operate 24 hours there will no doubt be extra transport delivering materials as well as waste being removed.

It is considered to be a dangerous precedent to allow 24 hour working on the Rutford Industrial Estate which has a significant number of other business types that would also seek to expand their operating times.

Climping is a quiet residential area and to lose control of the operations of the adjacent Industrial estate would not be in our best interests.

I am opposed to this planning application being granted.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.
