14th May 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with some matters reserved for the erection of up to 300 dwellings and ancillary development comprising open space, a building within use class D1 of up to 875 square metres net, a building for A1 use having a floor area of up to 530 sq. metres net, together with open space and ancillary works, including access points, car parking and drainage arrangements, with appearance, landscaping, layout; and scale wholly reserved for subsequent approval. The access detail, showing the points of access to the development, and indicated on Bellamy Roberts drawings numbered 4724/013 and 4724/005 Rev A are access proposals to be determined at this stage of the application. For the avoidance of doubt all other access detail within the site is to be determined as a reserved matter at a later stage. Resubmission following CM/1/17/OUT. Departure from the Development Plan.

Land to West of Church Lane South of Horsemere Green Lane Clymping

Thank you for your internet representation made on 12th May 2018 which has been recorded as **'an objection'** with the comments as follows:

Once again I object most strongly to this latest application to build 300 houses on one small field in Climping. This is a gross over development of a small villag site and will take away yet more prime agricultural land as well as almost double the size of the existing village. The local infrastructure is already struggling to support the locality, doctors can't see you for three weeks, the roads are literally falling apart with the traffic on the and nothing is being done about making the junctions with the A259 any safer, particularly at the Oystercatcher where there have been several fatalities recently. WSCC have been remiss in their duty of car to provide a safe environment on local roads, the village has virtually no footpaths thus making sure that we use our cars on the overloaded roads. See sense, reject this application again.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you

only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
