

**CHURCH FARM BARN,
HORSEMERE GREEN LANE,
CLIMPING, WEST SUSSEX BN17 5QX**

14th May 2018

Planning Department,
Arun District Council,
LITTLEHAMPTON.

Dear Sirs,

Re: CM/13/18/OUT = Land West of Church Lane Clymping

I wish to register my extreme opposition to the above re-submission by Mulgrave Properties LLP.

There is absolutely no infrastructure in Clymping to accommodate such a large development.

This need for large developments has been caused by Arun District Councils refusal to apply any sensible forward planning to local house building. If small developments had been allowed this ridiculous situation would never have arisen. Aruns wish for large developments has been driven by the desire for the Developers to pay huge sums into Arun's coffers.

One only has to look at the numbers of Supermarkets that Arun has allowed and the traffic chaos that has ensued, to realise that Arun's Planning Department is "not fit for purpose".

Please ensure that my opposition is registered along with the other hundreds from the Clymping area.

Yours faithfully,

MRS. L.E. RUDD.
