6th June 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with some matters reserved for the erection of up to 300 dwellings and ancillary development comprising open space, a building within use class D1 of up to 875 square metres net, a building for A1 use having a floor area of up to 530 sq. metres net, together with open space and ancillary works, including access points, car parking and drainage arrangements, with appearance, landscaping, layout; and scale wholly reserved for subsequent approval. The access detail, showing the points of access to the development, and indicated on Bellamy Roberts drawings numbered 4724/013 and 4724/005 Rev A are access proposals to be determined at this stage of the application. For the avoidance of doubt all other access detail within the site is to be determined as a reserved matter at a later stage. Resubmission following CM/1/17/OUT. Departure from the Development Plan.

Land to West of Church Lane South of Horsemere Green Lane Clymping

Thank you for your internet representation made on 6th June 2018 which has been recorded as '**an objection**' with the comments as follows:

There has been no planning or preparation from either Arun District Council or West Sussex County Council on improving the infrastructure in the area.

Roads, water services including sewage and other key services are just expected to cope with 300 extra houses. The Arun Bypass has not been accepted. The road junctions around the area are constantly congested and Horesmere Green lane is used as a rat run when the A259 is choked with traffic.

The roads are full of potholes caused by HGVs from the local industrial estate with ADC spending pennies bodging up the holes caused by all types of traffic.

The junctions at Oystercatcher and the roundabout between Church Street and the A259 are dangerous, and ADC's solution. Lets make the roundabout bigger so that traffic will flow faster. Their planning department don't understand risk management

In addition, Arun DC need to wake up to the noise issues caused by Rudford Industrial Estate. We will be expecting an addition 300 households to cope with the mismanagement by ADC misinforming current residents about the lack of working time restrictions. People working in the early hours of the morning constantly.

I reject this ridiculous idea

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has

been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
