Dear Sir,

Re CM/13/18/OUT

I object to this application
as I did in the enquiry and
for the same reasons.

Re Climping Hill

CM/26/18/L

Until the present owners of
Climping Hill purchased the property
no one could drive or walk
along the road that goes from
Climping Beach to the West Beach.
Now it is barred so one cannot
go straight onto the West Beach.
Please replace free access.
Yours faithfully, Valerie Besser
