Dear Sir/Madam

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application for approval of reserved matters following outline approval CM/37/18/OUT for the redevelopment of site with 2no. 4 bed detached bungalows & associated works
Mistletoe Farm Horsemere Green Lane Climping

Thank you for your internet representation made on 22nd April 2019 which has been recorded as '**an objection**' with the comments as follows:

Our objections remain the same. Until proper infrastructure is put into place then no more new builds should be allowed in Climping. This is a village not a town. The weekday early morning traffic is diabolical and sometimes it stretches all the way back from Tesco's roundabout through Climping all the way down to the Middleton turn off along the A259.

I voiced my concerns last time about the heavy traffic speeding along Horsemere Green Lane during rush hour. A few weeks ago @ 8.00am I witnessed a Lady nearly get knocked over walking to the bus stop. The driver didn't even stop. I did and she was shaken so I gave her a lift and she explained that she couldn't drive due to her eyesight not being great. She is a local resident and should be provided with proper and safe walking conditions which Horsemere Green Lane does not provide. I state again that someone is going to be seriously hurt soon and traffic needs to be controlled properly in Climping.

The proposed 2 new chalet bungalows at Mistletoe Farm should not go ahead. Already other residents are smelling money. They are knocking down lots of beautiful trees so that others cannot request protection rights. Therefore stopping building plans being granted.

Please think seriously about this application and it's knock on effect.

Kind regards.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or

information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
