Dear Ms Baird,

I acknowledge receipt of both your e-mail and attachments relating to the above Notification which will be scanned and added to the application in due course.

To avoid any misunderstanding, I would advise that if the proposed change of use takes place on 01-07-2014 it will be before the expiry of the 56 day notification period and would not therefore be lawful. I would therefore suggest that you await either the expiry of the 56 day period (15-07-2014) or the Local Planning Authority's formal response prior to this date before implementing the A3 use.

Regards

Anita Gardner
