

Location Plan

Dear Mrs Gardner,

DO NOT
I ~~would like to support~~ support ~~the~~ the planning application by Brackley Investments for a 64-Bed Dementia Care Centre on Land to the rear of Bairds Farm Shop, Crookthorn Lane, Climping, Littlehampton (ref CM/16/18/PL).

Additional Comments:

This development is not in accordance with character of the Strategic gap.

Print Name: **C. ADLER**

Date:

Address:

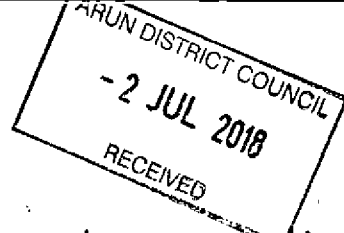

*Dove Cottage
Climping Street*

** Change of use would be detrimental
* more vehicles " " "*

There has not been local support on scale

PT.O

suggested by applicants.

I fear this, if passed, would swiftly change use again and become residential flats / hotel etc. (as many applications in this area have done)

64 additional residents + staff would overwhelm numbers of residents South of A259 in Chipping.

Whilst I understand need for dementia care , I

know residents need activities within local community to thrive — and there aren't any. The location stands alone next to farm shop, — which may become an aquatic centre.

Not the ~~the~~ right environment!
