Hi Anita,

Please find attached the updated plans as discussed.

Please find attached the revised drawings to replace those currently submitted under the NMA Application. These represent the following changes:

- (i) Setting back of the mid-section of the Western elevation to allow access relating to the existing Easement with the neighbouring building
- (ii) Access door to the void between buildings for service/maintenance purpose only

It would be helpful to have a quick catchup regarding these amendments and where you are with the application. When would be a good time to discuss this with you?

Kind Regards

Hi Anita,

Please could you pause on issuing any decision? I have been informed that there is another amendment that I need to add to the S73 if possible. I shall hopefully be in a position to forward this to you in due course.

Kind Regards

Hi Anita,

I see that Environmental Health have commented on the S73 application. Are you in a position to provide your views on the application? I would like to take a look at the draft conditions prior to issuing the planning application -- would you be in a position to send these to me please?

Kind Regards
