Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: CM/16/20/PL
Site Address: Langford Horsemere Green Lane Climping BN17 5QZ
Description of works: Variation of condition 2 imposed under CM/64/19/PL to substitute House Type F floor plans & House Type F elevations.

Thank you for your internet representation made on 22nd June 2020 which has been recorded as an objection with the comments as follows:

OWPC27928

Dear Sir / Madam

I wish to object to the amended plans that the applicant has submitted.

Due to the proximity of the proposed new building it is essential that the design does not overshadow, create privacy issues or impose on existing properties. According to the applicant Arun District Council requested the height of the original design be lowered. Subsequently the applicant redesigned the house as a chalet bungalow and the plans were approved. Unfortunately they have resubmitted plans for a 2 story house. Nothing has changed, this design not appropriate and we feel it is imperative the amended plans are refused.

Furthermore we feel the applicants approach is devious and underhanded and hope they will reassess the impact they are causing on their neighbours and the local area rather than think about how much more money they will make.

Kind regards

Martin Gillam
