Thank you for your internet representation made on 1st July 2020 which has been recorded as an objection with the comments as follows:

OWPC28147

I wish to object to the revised plans, the original plans were approved on the grounds of a bungalow being built due to invasion of privacy and quality of life that the surrounding over looked properties will have to suffer.

This revised plans should be refused and the original plans allowed to continue, residents should be allowed a quality of life and health rather than extra profit for the developer.
