I have supported the bald builders for a long time now I really enjoy going to see them, not only do they offer amazing food but they do a lot for the local community with fund raising for local charity's. I love the things they do for the kids with free meals in hard times and a Santa's grotto at Christmas giving out presents and bringing smiles to so many young faces. I think the idea of a permanent base for them would be brilliant and would benefit the farm shop and local areas as people travel from all over the country to visit them. I also am a part of a family run business and I think it's great that they are trying to expand in the current times and really hope this works for them.
