Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: CM/16/21/PL
Site Address: Bairds Farm Shop, Garden Centre Crookthorn Lane Climping BN17 5SN
Description of works: Convert existing on site storage to picnic area with fast food Cafe. This application may affect the setting of a Listed Building. This application is in CIL Zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 19th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36418

I strongly object to the planning application for a fast food caf , picnic area and drive through next to Maidenhead Aquatics on a number of environmental policy grounds as listed below.

The proposed development is not compliant with Section 15 of the National Planning Policy Framework (February 2019) guidance on Conserving and enhancing the natural environment, specifically in the following areas: protecting and enhancing valued landscapes, recognising the intrinsic character and beauty of the countryside, maintaining the character of the undeveloped coast, minimising impacts on and providing net gains for biodiversity and preventing new and existing development from contributing to, being put at unacceptable risk from, or being adversely affected by, unacceptable levels of soil, air, water or noise pollution or land instability. As per the same section of the aforementioned Policy, planning policies and decisions should also ensure that new development is appropriate for its location, taking into account the likely effects (including cumulative effects) of pollution on health, living conditions and the natural environment, as well as limiting the impact of light pollution from artificial light on local amenity, intrinsically dark landscapes and nature conservation.

Your views as made above will be considered before the application is determined.
