OWPC36555

Even though I do not live in the area I honestly believe the area would benefit from this form of development. They are a family business who support the local area and businesses. Employing local people and buying merchandise for their business all within 10 minutes. They have already proved during the pandemic that they can make this business work and be extremely successful hence why they wanted to expand and continue with there successful business. The works that have already been done has cleaned the site considerably. We should be supporting local people and companies rather than the big brand names especially with the pandemic and so many people have lost their businesses. So please give permission for this to go ahead as I think it would be a valuable and viable for this proposed site. Regards.

Your views as made above will be considered before the application is determined.
