Subject: RE: CM/17/20/DOC - Ryebank Farmhouse

CM/17/20/DOC

Approval of details reserved by condition imposed under ref CM/45/19/PL relating to Condition No 4 - details of railings and the flint/brickwork

Condition four of the approved application states that: 'Prior to installation of the staircase hereby approved precise details of the railings and the flint/brickwork shall be submitted to and approved by the Local Planning Authority and the materials so approved shall be used in the construction of the staircase'.

Details are provided for in plan and pictorial format. The proposal for the new flint work to match existing (laid coursed using locally sourced cobbled & napped flints, laid in hydraulic lime mortar), the materials and handrail all appear to be acceptable.
