Subject: CM/17/21/PL

6, Wooldridge Walk, Climping, BN17 5TB

I would like to register my strong objection to the proposed development of four detached houses in the garden of Wren Cottage, Horsemere Green Lane, Climping. CM/17/21/PL
One of these houses would back directly onto my garden destroying my privacy and severely restricting the light on both my house and garden.

Financially, the development would also cause devaluation of my, and neighbour's homes and is a great worry to us.

To permit the infilling of the garden at Wren Cottage in such an insensitive manner would be most unwelcome and i would ask that you please refuse the application in its present state.

If the proposal were to be for bungalows, this would be more in keeping with the area and would have far less impact with less noise, shade and overlooking homes and gardens of existing residents.

We have already had to endure much development in the immediate area, losing beautiful trees and wildlife in the process. Our peaceful retirement is being blighted and we are asking that our legitimate concerns are taken into consideration.

Please register my objections.

Thank you
