Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: CM/17/21/PL
Site Address: Land at Wren Cottage Horsemere Green Lane Climping BN17 5QZ
Description of works: Development of 2 No. 2-bed & 2 No. 3-bed detached dwellings & associated works (resubmission following CM/53/20/PL). This site is in CIL Zone 3 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 15th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36268

- a. The plans for these four properties should have been included with the application for the nine on Scyld as they are sharing the same access road, this application has obviously been submitted separately as a total site of thirteen properties would have required more thought and amenities, such as children's play area. Clearly there is no land to provide such amenities, hence the separate applications to circumnavigate the planning process. The fact the developer hasn't yet started work on the nine properties approved over 18 months ago, (CM/21/19/PL approved on 07/11/2019), points to the fact they were fully aware at the onset that they would add these further four properties to the site.
- b. The proposed properties are too close to Wooldridge Walk and also to number 30 Appletree Walk, and due to being two stories will be overbearing and are likely to impact on the privacy of the residents living in the adjacent bungalows in Wooldridge Walk.
- c. There is a lack of visitor parking spaces (one space for four properties) and the access road is far too restrictive, which will cause issues with turning for residents, visitors and the access of larger vehicles such as rubbish removal lorries and emergency vehicles.
- d. The access onto Horsemere Green Lane has been assessed for the original nine properties, therefore further assessment is required.
- e. Trees and habitats are again under huge threat, sadly the numerous woodpeckers, foxes, hedgehogs and birds have already lost areas due to the current building work in Horsemere Green Lane, this will impact further.

Your views as made above will be considered before the application is determined.
