Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: CM/17/21/PL
Site Address: Land at Wren Cottage Horsemere Green Lane Climping BN17 5QZ
Description of works: Development of 2 No. 2-bed & 2 No. 3-bed detached dwellings & associated works (resubmission following CM/53/20/PL). This site is in CIL Zone 3 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 23rd July 2021 which has been recorded as an objection with the comments as follows:

OWPC38736

Have studied the revised plans for these 4 large houses applied for on this very small plot of land. I feel that this development is much too big for the size of the plot. Firstly the houses will intrude immensely on the privacy of the existing bungalows in Wooldridge Walk no's. 4,5,6 & 7 especially bungalow number 4 Wooldridge Walk and cannot understand why these dwellings have to be two storey or even 1 1/2 storey dwellings.

Surely if something HAS to be built on this garden plot the building of bungalows would make a lot more sense and would not upset so many residents and would blend in with the existing homes without too much upheaval.

I am asking for the planning dept to re-consider their decision in this instance and get the client to re-submit plans to build bungalows in place of these gigantic houses on this plot.

Your views as made above will be considered before the application is determined.
