Dear Zac

I see you are the Case Officer dealing with the above application. I am the agent for the application.

I noticed that you have received a response from WSCC as the highway authority dated 29th April 2019 requesting a plan showing the full extent of Vehicle Visibility Splays for this scheme. The requested plan is attached and I hope this is of assistance.

If you need any further information on the planning application or have any questions on the information provided please do let me know.
