Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Erection of 2 No 3 bed dwellings with off-road parking and associated landscaping
Land at Entrance to Waterford Gardens Horsemere Green Lane Climping

Thank you for your internet representation made on 30th May 2019 which has been recorded as '**an objection**' with the comments as follows:

All the planned building in Climping will double the size of the village.

- 1. Road traffic will be increased without road improvement*
- 2. Road safety will be at risk. Dog walkers (like my wife) on Horsemere Green lane will be in increased danger as traffic speeds on this road and there are no safe footpaths.*
- 3. Flooding is more likely as concrete replaces soil in the village.*
- 4. Properties are more likely to be tenanted rather than owner occupied*
- 5. Birds, such as, woodpeckers, owls, magpies, pigeons, sparrows, robins ect ect wil lose their natural habitat*
- 6. Other wildlife, bats, hedgehogs, foxes, rabbits and deer will also be lost.*
- 7. There will be a loss of privacy for many existing residents*
- 8. There will be a loss of security for older residents*
- 9. Climping as a village will be shortly cease to exist as it strangled by the expansion of Wick and Littlehampton.*
- 10. Noise pollution will grow exponentially as more residents will live here but there will be less natural tree screen age*
- 11. People's choice of living in a semi rural location will be stolen from them.*
- 12. Traffic pollution will increase massively*
- 13. With so many planned houses in Yapton/Ford/Climping (over 2.000 new homes) roads like the B2233/A259 will not cope with the amount of traffic as it is already jam packed every morning and afternoon.*
- 14. With so many planned houses in Yapton/Ford/Climping (over 2.000 new homes) there are no new facilities as supermarket/GP surgery/schools*
- 15. Rich agricultural lands have to take place for buildings.*

I urge you to take all above points in consideration that this area is full enough without the planned building plans.

NO MORE NEW HOMES!!!!!!!!!!
