Dear Zac Denton,

I realise this may be a tack late but we have just returned from holidays but felt that we should still make our thoughts noted regarding the planning permission regarding 2 properties applying for planning permission on the entrance of the estate.

We feel that enough is enough Climping is a village and has had enough alterations to housing since we have lived here over the last 16 years we have no Shops, Doctors only 1 small Infant School and very little amenities for the elderly **but WE DO HAVE ALOT MORE TRAFFIC making it very busy oh and also we could do with many more pavements for those of us who do not drive.**

Please acknowledge

Yours sincerely
