

- ## NOTES
1. This drawing is to be read in conjunction with all other BPV Civils drawings, and with all relevant Architect's and Engineer's drawings and specification. Any discrepancies found are to be reported immediately to the Engineer.
 2. BPV Civils accepts no responsibility for inaccuracies in Data provided by third parties such as topographic surveys or Ordnance Survey mapping.
 3. Do not scale, word to figure dimensions only. All dimensions are in millimetres unless noted otherwise and all levels are in metres from the topographic survey datum.
 4. Any information given regarding existing underground services is given in good faith after consultation with the relevant authority. The contractor is not responsible for any main contractors responsible for checking all information on site prior to work commencing and taking due care whilst undertaking the works.
 5. All details are to be checked on site. All details and dimensions relating to sub-contractors work must be checked and agreed between the sub-contractor or supplier and the project contractor.
 6. The electronic information from this drawing can not be guaranteed as dimensionally drawn exact. Figure dimensions must be used for setting out and detailing. BPV Civils logo and company information must be removed from copies if Information is re-used.
 7. Where used, this map is based on or reproduced from Ordnance Survey material with the permission of Ordnance Survey on behalf of the controller of His Majesty's Stationary Office (c) Crown Copyright. Licence number: 100023422. BPV Civils accept no liability for any inaccuracies with the map.
 8. The client shall ensure that all licences, consents and approvals required to implement the works are in place prior to commencing construction.

NOTES

1. All dimensions are in metres unless stated otherwise.
2. Do not scale from this drawing. Only written dimensions are to be used.
3. This drawing should be read in conjunction with the Architect's and Structural Engineer's design drawings and specification.
4. Site layout shown in this drawing is based on Foreman Homes Approved Site Layout Plan, issued to RCP in dwg format on 06/02/2023.
5. Topographical Survey as per Encompass Surveys drawing no. ENC/240820/3/L4/1 to 10, dated September 2024.
6. Utility survey as per Encompass Surveys drawing ENC/300920/2/23 dated September 2020.
7. This drawing should be read in conjunction with other External Layouts, Section 38 Highways Construction Details, Private Highways Construction Details, External Works Layouts and Domestic Drainage Layouts.
8. ANY VARIANCE OR DISCREPANCY MUST BE REPORTED BACK TO BPC BEFORE WORK BEGINS.
