

The diagram illustrates a shelf system. The top part shows a red bicycle on a shelf, with a vertical line indicating its height. The bottom part shows a shelf with books, with a vertical line indicating its height.

A line drawing of a mechanical device, possibly a pump or engine. It features two vertical cylinders on the left and two horizontal cylinders on the right, connected by a central shaft and a base. The drawing is oriented vertically on the page.

Roof

all clients and contractors to check all drawings and to verify all dimensions on site prior to works commencing; any discrepancies in dimensions or boundary locations are to be brought to the attention of CMCdesign immediately before any further works take place on site
